

# Winterville at Work!

## Tar Road Widening Project

The start date for the project has been pushed back by NCDOT to the Summer of 2026 to allow additional time for planning and design". The project link is: <https://www.ncdot.gov/projects/evans-old-tar/Pages/default.aspx>

A link for a video of how the project may look is: <https://www.youtube.com/watch?v=58Fi3ES3dMI>

## Safe Routes to School

Temporary intersection changes have arrived at Main St/Church St, Cooper St/Church St, and Cooper St/Academy St! We're testing out a new street design using curb extensions and high-visibility crosswalks to make these areas safer for kids and community members to cross the road. These low-cost "quick builds" will remain in place for 6 months to 1 year while we collect your feedback and safety data. We want to hear from you! Come on by, check out the changes, and tell us what you think in a short survey: <https://forms.office.com/r/bdZV6mFScT>

## Coffee with a Cop on Friday, May 17, 2024

Join Officers from the Winterville Police Department the 3rd Friday of every month from 9:00 am to 10:30 am at the Town Community Room to discuss ideas, community issues, build relationships, and drink coffee all in an informal, neutral space. Please come out and help build lasting relationships.

## HOUR AND PLACEMENT FOR GARBAGE AND RECYCLING CANS.

### Zumba

Perfect for everybody and everybody! Each Zumba class is designed to bring people together to sweat it out. How it works: We take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party.
