

Winterville at Work!

Notification of Residential Garbage, Recycling, and Debris Collection Update

The Town of Winterville has made several changes to the services provided for Solid Waste, Recycling, and Debris collection. Many of the changes are due to new contracts that will allow the town to better service the citizens and eliminate many of the issues that have occurred historically. This includes **all new routes** for garbage collection, as well as, **reducing recycling collection to every other week**, and ending the construction debris route. The Town sought to make improvements and find ways to make sure the Sanitation Department was financially solvent, with the least amount of impact on the majority of our citizens. Please read this Information carefully as there are a numerous changes. Below you will find details about the changes. You will also find maps that show what new route you will be assigned to, and your new garbage and recycling pick up days.

Maps can be found at <https://www.wintervillenc.com/trash-recycling-collection>

- Please review the new maps for your updated garbage and recycling collection days.
- New garbage routes began on Monday July 8th. New recycling routes began on July 15th.
- Garbage and Recycling containers will be picked up on the same day of the week. On weeks that have both garbage and recycling you will need to pull both containers out.
- Please review the changes to what can be recycled. Many of the items that are thrown in the recycling bins are not allowed and will be considered contamination by the recycling processor. It is important to only include the allowed items in your recycling rollout. Never place garbage in your recycling container.
- **The new company that takes the recycled items has changed and the items we can truly recycle has changed. Please see the flyer below for the allowed items.**
- Also, **to the size of the recycling container is 65 gallons, which is the same size as the old containers.**
- **If your recycling container has not been swapped, please call Public Works at (252)-756-2221 Ext. 2412 to be placed on the list to be swapped.**

Join us for a chaperoned parade of walking, biking, scooting, or skating to school! Helmets will be provided to any student who needs one; and secure bike storage will be available upon arriving at school.

Parents, grandparents, and other siblings are invited and encouraged to walk and roll with us!

- **WH Robinson:** Meet at Hillcrest Park between 6:50 am - 7:10 am.
- **AG Cox:** Meet at south end of Winterville Recreation Park tennis courts (along Division Street) between 7:20 am - 7:40 am.

For more information, see <https://www.wintervillenc.com/safe-routes-to-school-grant>.

Mosquito Spraying

The Town continues spray and monitor mosquitos. Spraying will take place, as needed, weather permitting beginning at dusk when the street lights come on. The Town will evaluate mosquito counts and weather condition to determine when and where to spray.

The Town asks that residents look to find and empty any containers or standing water on their property. This is where they lay their eggs and where the larva hatch.

PLACEMENT OF TRASH AND RECYCLE BINS ON PICK-UP DATES

- * Please place your trash can and recycle bin at the curb with the wheels facing your house and the lid opening into the street.
- * Keep your containers at least four feet apart and at least four feet from any obstacles such as mail boxes, cars, lamp posts or power lines.
- * Keep your container at the curb until the end of the day if it has not been collected. Sometimes the timing of our arrival changes and we do not want you to be missed if we come later than expected.
- * It is generally best to put your container out the night before your collection day. That way even if we are early, your pick-up will not be missed.

Safety Tips for Both Pedestrians & Drivers in the Town of Winterville: SAFETY HABITS

Tips for DRIVERS that may help alert them to increase caution.

- When you see pedestrians walking slow down.
- Crosswalks serve as symbol that walkers are near.
- Slow down when you notice Reflective Vests in the distance.
- Ensure your vehicle is operating properly.
- Slow down in neighborhoods as it is increasingly likely to have walkers.
- Always be mindful of your speed and stop and check for pedestrians in neighborhoods.

Tips for PEDESTRIANS that may help alert them to stay visible & safe while walking

- Walk in lighted areas.
- Never assume a driver sees you, walk with caution.
- If possible, make eye contact with drivers.
- Wear a reflective vest when walking after dusk or during the evening
- Try to avoid walking in the middle of a street/road. Walk on the side, closest to the curb.
