

# Recycle Workshop

Tuesday, November 26, 2024

6:00 pm

Town Hall Assembly Room

2571 Railroad Street

Staff and Recycle Personnel  
will be present to answer  
questions and help with what  
can and cannot be recycled.

## RECYCLABLE ITEMS ACCEPTED FOR PICKUP

Beginning July 1, 2020, the Town of Winterville and Pitt County made significant changes to the way we recycle. **Please note that glass is no longer an acceptable item.** This streamlined list of recyclables is intended to keep the County's recycling program sustainable and contaminant-free. Please recycle **ONLY** the items listed. **Greasy boxes (such as pizza boxes) can contaminate an entire load of recycling, please place such items in with your regular waste.**

## RECYCLE ALL TOGETHER
