Winterville Police Senior Watch Program

The Winterville Police Department believes in a "neighbor helping neighbor" concept and that is why the Winterville Police Senior Watch Program has been created for our elderly.

Through these partnerships, we will strengthen our relationships between our neighbors and neighborhoods.

Members can sign up themselves or by family by filling out an application. The application is available at the Winterville Police Department.

The "Senior Watch" program is for seniors who may need our help. These seniors may not have family to check on them or provide some assistance. The Police Department would visit the senior on a scheduled basis to check on their welfare.

Once the application is received by the Police Department and approved, it is entered into our database and a schedule would be setup for the senior. As a part of the application process, a police official would meet with the senior for introductions.

Officers will not be able to assist with medications or transportation.
