PLACEMENT OF BINS ON PICK-UP DATES

- Please place your trash can and recycle bin **at the curb with the wheels facing your house and the lid opening into the street.**
- Keep your containers **at least four feet apart** and **at least four feet from any obstacles such as mailboxes, cars, lamp posts or power lines.**
- **Keep your container at the curb until the end of the day if it hasn't been collected.** Sometimes the timing of our arrival changes and we won't want you to be missed if we come later than expected.
- It's generally best to put your container out **the night before your collection day.** That way even if we're early, you won't miss your pick-up.
